Privacy Policy

This Privacy Policy describes how Apps I Like (“we”) processes your personal data. IDNA B.V. (“we”, “us”, “our”, “ours”) processes your personal data (including your name, address, email address, phone number, etc.) for the purposes of providing you with the services you request. We use your personal data to send you SMS, email newsletters, and other marketing communications. You can always opt out of our marketing communications by clicking on the “unsubscribe” link in our emails or by contacting us.

Information We Collect

We collect personal data from you when you use our services. This includes your name, address, email address, phone number, and payment information. We also collect information about your device, including your IP address, browser type, and operating system.

How We Use Your Data

We use your personal data to provide you with the services you request. We also use your data for marketing purposes, such as sending you SMS, email newsletters, and other marketing communications. We may also use your data to improve our services and to analyze usage patterns. We do not share your data with third parties, except as necessary for the provision of our services.

Data Security

We take appropriate measures to protect your personal data from unauthorized access, disclosure, alteration, and destruction. We use secure connections (SSL) to transmit your data. We also have physical and technical security measures in place to protect our servers. However, no security measure is perfect, and we cannot guarantee the security of your data.
